2. **Read Psalm 119:49; 1 Timothy 1:1; Titus 2:13-14.** How are we caused to hope? What is the essence of Biblical hope? What does God want us to know about the hope He gives? What is the source of our doubts? Why is Jesus our HOPE? What does hope from Jesus produce in our lives?
3. **Read Psalm 119:49; Ephesians 2:12.** What difference is there in our thinking between being a servant and being a slave? Why is it beneficial for us to know that we belong to God as His slaves? 4. **Read Psalm 119:50-51. 2 Corinthians 1:3-4.** What kind of fruit does pride produce in our lives? Why is it dangerous to think of ourselves as being more spiritual than others? How is Biblical Christianity being derided in our culture? What impact is it having upon God's people? When does derision become crushing or debilitating? How does God bring us comfort in the midst of our afflictions? What are we to do with God's comfort? How do afflictions tempt us to turn aside from God's law?
5. **Read Psalm 119:52.** What judgments of old would David have been remembering? How do we cause ourselves to remember God's acts of kindness to us in the past? Why is it important for us to meditate on the many ways we have experienced God's grace? How does being comforted and/or encouraged relate to having hope?
6. **Read Psalm 119:53.** What do the things that make us angry reveal to us about our priorities? How does our society define wickedness? What does God say characterizes wicked people? Why should we be indignant when God's Word is being forsaken?
